**Country:** MALTA

**Description (140 words):**

Increasing in size, scope, and success over the last 6 years, SiGMA2020 will be the busiest show yet, offering 15,000 delegates the chance to network with leaders in the iGaming industry, strike deals with the biggest brands, engage the leading suppliers, and secure support from the affiliates that matter.

SiGMA 2020 (Malta) will take place November 17th-19th 2020 in Malta. Visitors from 80+ countries will be creating next-level business opportunities for the global iGaming sector in 2021 and beyond. Positioned at the cutting edge of a very competitive industry, the summit has evolved into the definitive iGaming showcase, operating on both a European and world stage.

The SiGMA event calendar boasts a full complement of entries. While all roads still lead to the Summit in December, the expo is supported by SiGMA Roadshow satellite events that occur throughout the year.
